

Bait Tank—LidMax

The LidMax Option allows your bait to be protected from the sun, debris, or other animals. The LidMax fits inside the recessed area molded into each tank. All lids are 3 sections, with the stabilizer bars bolted to the bait tank. Due to the materials of the LidMax, it is not recommended for saltwater use.

LidMax Specifications:

- All Hardware is Stainless steel and is installed by PCT
- Each lid is 3 sections
- The LidMax is made of White Aluminum Clad Polyethylene
- Each section has one 1 1/2" diameter hole for easy entry.
